Video Editor | 3D Animator | Motion Graphics Artist

PROFESSIONAL SUMMARY

I'm a Video Editor, 3D Animator, and Motion Graphics Artist who enjoys creating cinematic and visually engaging content for digital platforms. I have experience working on social media edits, real estate videos, promotional content, and branded visuals. I enjoy combining storytelling, smooth pacing, clean transitions, and motion graphics to create videos that feel professional and keep viewers engaged. I'm always interested in improving my creative skills and delivering content that matches both the brand's style and audience expectations.
